Production Manager can view his personal details, assigned by the administrator by using File button.

Production Planner can change his details, assigned by the administrator by clicking the File button as well.

He can view Final report as well as the Section wise work allocation as follow.

The screenshot displays the 'Batch Production System -Production Manager' window. The main header shows 'VARIO SYSTEMS ELECTRONICS'. Below the header, there are two tabs: 'Final Report' (selected) and 'Section Wise Work Allocation'. Under 'Final Report', there are sub-tabs: 'PreWork', 'AL', 'WS', 'QS', 'Testing', 'Final', and 'Packing'. The 'Final' sub-tab is selected, showing a table with columns: 'SAP_No', 'Order_Article', 'Order_Quantity', 'Batch_Quantity', 'Remain_Quantity', 'Starting time', and 'End time'. The table contains 20 rows of data. At the bottom of the window, there is a 'Notifications' button and 'Back' and 'Exit' buttons.
